

# VIRTUAL RUN

## Breath for Children Project

Equitable Education Fund (Thailand)

### What is PTT VISUALS RUN ?

As the **COVID-19** pandemic situation has affected the economy and household income, many **students** are at **risk of leaving the school system**.

Therefore, the Equitable Education Fund (EEF) Thailand and Petroleum Authority of Thailand (PTT) are willing to help **keep the students in the school system**.

## PROGRESS OF VIRTUAL RUN (PHASE 2)

PTT invites everyone to **run for children** again with Godzi to win an even bigger challenge of 20 million steps running/ walking to establish an initial fund to **help children who are at risk of leaving school** in the amount of 20 million Thai Baht.

### Target: All Children for Education

To **support 60,000 children** from pre-school to Grade 9 who have a risk of leaving the school system by **providing a budget of 151,000,000 Thai Baht** through the Equitable Education Fund (EEF) Thailand.

**Create awareness and participation through a Virtual Run**

Everyone may participate in the event by accumulating running-walking mileage that can be exchanged for scholarships to bring students back to the school system wherein PTT will contribute 2,500 Thai Baht for every 10 kilometers of running/walking enough to bring one child back to the school system. PTT aims to collect 600,000 kilometers.

**THE BEST GIFT FOR KIDS IS EDUCATION**
