LET'S MAKE A CHANGE IN THAILAND'S EDUCATION SYSTEM

to prevent students from dropping out and reduce the education inequality problem among underprivileged and sensitive children and provide them with access to education and careers.

The **'Bring Children Back to School"** program is the first **collaboration between Sansiri and EEF (Thailand)** to ascertain the current number of children outside the school system and follow up on their households to bring them back to school again.

MAIN POLICY OF THE 'BRING CHILDREN BACK TO SCHOOL' PROGRAM

The Program is established according to the government's policy to improve the education system and human resources with **the cooperation of 11 main organizations** as below;

Ministry of Education (ME)	Ministry of Public Health	Ministry of Tourism and Sports	Ministry of Social Development and Human Security	National Office of Buddhism	Equitable Education Fund

Ministry of Interior	Ministry of Culture	Ministry of Higher Education, Science, Research and Innovation	Royal Thai Police	Internal Security Operations Command Bangkok

Innovative Finance

Progress Report and Planned Working schedule and expenses
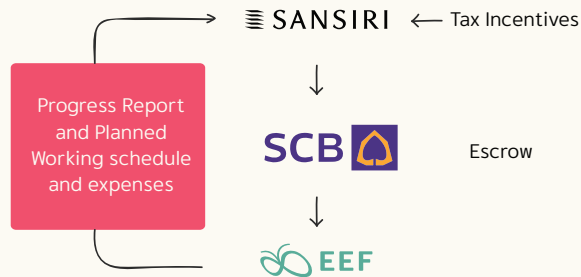

SCB — Escrow

EEF

Corporate Bonds Worth

100 Million Thai Baht

The first time corporate bond with **2 benefits** of investment.

Earn **3.20%** interest on investment per annum.

Help all children go to school.

OBJECTIVES

1

Identify the target groups under the Zero Dropouts program based on local surveys and databases (Primary Data).

2

Identify program participants, their roles, duties, and cooperation scope.

3

Determine a 3-year roadmap including the work plan and first-year budget to run the Zero Dropouts program in Ratchaburi Province according to the goals and scope of the program.

Seek Engagement opportunities and activities - e.g. school improvements, book donations, and career exploration activities.

Engage local partners to expand existing programs, expand new stakeholders, and new Target populations, drive synergies, and support local leadership to create sustainability of programs.
