

Equitable Education Alliance

“ Our purpose is to improve equity in education through collaborative efforts, by providing substantive and technical support to those in need. ”

EEA is a community of practitioners for organizations; ministries, agencies, and NGOs who strive to push for a more inclusive and equitable educational system while enhancing the performance of existing equitable education organizations at all levels.

ADVOCACY AND COMMUNICATION

- Advocate for educational policies based on equity-based education and SDG4.
- Exchange relevant, up-to-date information, knowledge of practices and programs, and promising cases regionally and globally.

PARTNERSHIP BUILDING

- Promote connections between similarly minded organizations, introduce new members to the alliance, and grow the ecosystem of educational organizations working towards equity in education.
- Include NGOs/CBOs, and private sector stakeholders to familiarize themselves with projects and programs and work for the implementation of new initiatives.

TECHNICAL SUPPORT

- Develop joint actions.
- Support the establishment of a model of focused equitable education organization/fund in the region and globally.
